Banish[®] 360

WEED KILLER

Banish 360 Herbicide kills weeds, unwanted grasses and vegetation in Domestic, Public Services, Commercial and Industrial Areas.

FOR SPECIFIC RATES OF APPLICATION AND COMPLETE DIRECTIONS FOR USE READ THE LABEL BOOKLET

STORAGE AND DISPOSAL

Store in the closed, original container in a dry cool, well-ventilated area out of direct sunlight.

Do not contaminate seed, feed or food stuff.

Do not re-use container for any purpose.

Triple or (preferably) pressure rinse containers before disposal. If recycling, replace cap and return clean containers to recycler or designated collection point. If not recycling, break, crush or puncture and bury empty containers in a local authority landfill. If no landfill is available, bury the containers below 500 mm in a disposal pit specifically marked and set-up for this purpose clear of waterways, desirable vegetation and tree roots. Empty containers and product should not be burnt.

For refillable containers: Empty containers fully into application equipment. Close all valves and return to point of supply for refill or storage.

SAFETY DIRECTIONS

Product will irritate the eyes and skin. Avoid contact with eyes and skin. When preparing product for use, wear elbow-length PVC gloves, face shield or goggles. When using controlled droplet applicator wear protective waterproof clothing and impervious footwear. After use and before eating, drinking or smoking, wash hands, arms and face thoroughly with soap and water. After each day's use, wash gloves, face shield or goggles and contaminated clothing.

FIRST AID

If poisoning occurs, contact a doctor or Poisons Information Centre. Phone Australia 13 11 26.

MATERIAL SAFETY DATA SHEET

For further information refer to the Material Safety Data Sheet (MSDS), which is available from the supplier.
