DIRECTIONS FOR USE

This product contains a temporary, non staining colourant which marks spray application.

The colour breaks down with sunlight and moisture.

- See where you spray
- Indicates skips and overlaps
- Improves applicator safety

Big Blue can be used with spotgun, hand equipment, small broadcast equipment, boom-jet and other spray application equipment. Big Blue washes off equipment, clothing and skin with soap and water

Situation	Rate	Critical Comments
Pesticide & Fertilizer spray marking. Boom Spraying	100-125mL/ 100L of spray solution	Suitable for use with all water based spray mixtures. Vary rate depending on foliage colour and height
Hand Sprayers and Knapsacks	10-12.5mL/ 10L of spray solution	

NOT TO BE USED FOR ANY PURPOSE, OR IN ANY MANNER, CONTRARY TO THIS LABEL UNLESS AUTHORISED UNDER APPROPRIATE LEGISLATION

GENERAL INSTRUCTIONS

BIG BLUE Spray Indicator is only suitable for mixing with water based spray solutions. Follow mixing instructions on the label of the pesticide or fertilizer product and unless indicated differently add Big Blue last to the full spray tank.

Suggested uses include:

- Marking to help prevent farmers/contractors over-spraying
- Spot spraying for selective herbicide application
- Marking trial plots and strips

PROTECTION OF WILDLIFE, FISH, CRUSTACEANS AND ENVIRONMENT

DO NOT allow chemical containers or spray to get into drains, sewers, ponds or streams.

STORAGE AND DISPOSAL

Keep out of reach of children. Store in the closed, original container in a cool, well ventilated area. Do not store for prolonged periods in direct sunlight. Triple or preferably pressure rinse containers before disposal. Add rinsing to spray tank. Do not dispose of undiluted chemicals on site. If not recycling, break, crush or puncture and bury empty containers in a local authority landfill. If no landfill is available, bury the containers below 500mm in a disposal pit specifically marked and set up for this purpose, clear of waterways, desirable vegetation and tree roots. Empty containers and product should not be burnt.

FIRST AID

If poisoning occurs, contact a doctor or Poisons Information Centre. (Telephone 13 11 26).
